

Mortgage Reinstatement Assistance Program

Summary Guidelines

1. Program Overview

The Mortgage Reinstatement Assistance Program (“MRAP”) is one of CalHFA MAC’s federally-funded programs developed to provide temporary financial assistance to eligible homeowners who wish to remain in their homes, but are in imminent danger of losing their home to foreclosure.

MRAP provides funds to assist income-qualified homeowners to help them cure their delinquent first mortgage loan arrearages, which may also include payments needed to reinstate their loans from foreclosure.

2. Program Goals

The MRAP will prevent avoidable foreclosures by helping homeowners reinstate their past due first mortgage loans.

MRAP will also mitigate the need for large reinstatement dollars to be capitalized with remaining loan balance, and thus, broaden the population of homeowners who qualify for modification.

3. Target Population/ Areas

MRAP is designed to target low-to-moderate income homeowners and address the needs of a homeowner’s specific situation in lieu of targeting certain regions or counties.

4. Program Allocation (Excluding Administrative Expenses)

\$159,400,000.00

5. Borrower Eligibility Criteria

- Homeowner must qualify as a low-to-moderate income house hold, as follows:
 - Low-to-moderate income of 120% or less of the HCD Area Median Income (as defined by the California State Department of Housing and Community Development), for a family of four, in the county where homeowner resides.
 - Homeowner is presumed to satisfy income limits if they have a loan financed in whole or in part by bonds that are tax-exempt under IRC section 143.
- Homeowner must complete and sign a Hardship Affidavit / 3rd Party Authorization to document the reason for the hardship.

- If the reinstatement assistance is combined with a loan modification, the homeowner’s modified monthly mortgage payment ratio must be reduced to at least 38% of the gross household income (excluding unemployment benefits) to meet the definition of an affordable payment.
- On a case by case basis, CalHFA MAC reserves the right to review and approve investor program guidelines that utilize affordable mortgage definitions greater than 38%.
- General program eligibility is determined by CalHFA MAC, the housing counselor or servicer based on information received from the homeowner. Program-specific eligibility is determined by Cal HFA MAC on a first-come/, first-approved basis until program funds and funding reserves have been exhausted. Loan servicer will implement the HHF program based on participation agreement terms and conditions.
- Funding allocation will be tracked, monitored and performed by CalHFA MAC in a centralized processing operation.

7. Program Exclusions

- Homeowner in an “active” bankruptcy is ineligible for MRAP assistance consideration. Homeowners who have previously filed bankruptcy are eligible for consideration with proof of court order “Dismissal” or “Discharge”.
- MRAP benefit assistance request for reinstatement with a first-lien PITI and any escrowed homeowner’s association dues or assessments, payment of greater than 38% of the homeowner’s gross monthly household income, excluding unemployment benefits will be considered unaffordable and is excluded from MRAP reinstatement benefit assistance unless that assistance is combined with a loan modification.
- Loan is less than two (2) payments past due as of the date of request for assistance.

8. Structure of Assistance

CalHFA MAC will structure the assistance as a non-recourse, non-interest bearing subordinate loan in favor of the Eligible Entity (CalHFA MAC) secured by a junior lien recorded against the property in the amount of the HHF assistance. At the conclusion of (3) three years, the subordinate loan will be released. Loan funds will only be repaid to Eligible Entity (CalHFA MAC) in the event of a sale or a refinance that includes cash out with sufficient net equity proceeds prior to forgiveness. Recovered funds will be recycled in order to provide additional program assistance until December 31, 2017, at which time any recovered funds will be returned to Treasury.

After December 31, 2017, any remaining or returned funds will be returned to Treasury.

9. Per Household Assistance

Up to \$25,000 per household in total (average funding of \$18,052.46) for PITI and any escrowed homeowner’s association dues or assessments, arrearages (and in all cases, subject to the HHF program maximum benefit cap of \$100,000 with respect to monies previously received under other HHF programs, if any).
